Dear []

As you can see from the enclosed photo copies I have received two letters [from my friend E.] After receiving the first one I presented the offer to General José Klark who was then exercising the presidency of the Mexican Olympic Committee. Personally I believe that they did not consider the offer because of the large amount in expenses involved.

After not receiving an answer to the request I wrote to my friend informing him that it would not be possible for him to come to Mexico for this time.

This week I again received the same request to come to Mexico alone for the track clinics.

Since my friend's wish to come has repeated after such a long time, I conclude that there may be other reasons for him wanting to come out of his country, besides that of the clinics.

If you would want him to come to Mexico, then, I believe, could be arranged the following

Núm. ① Personally I can easily make the arrangements that the Mexican Olympic Committee make the request to the U.S. Olympic Committee of his coming for weight events track clinics, considering that he is one of the most famous coaches in the world.

② The airplane ticket from M. to Mexico City and back to M. I believe should be furnished by some private source because I don't think that the Mexican O.C. would pay it. I am sure that they will pay his boarding during his stay in Mexico City and also during the travel from the States.

③ Because I am not able to pay for his transportation I would want to know whether you are interested in doing so. Of course the reservations will have to be made in Mexico.

I personally believe that my friend will complete the agreement made at Stanford and will "pay back the transmission".

During the Pre-Olympic sports week in Mexico City I was together for a longer time.

with Janis Lúsis and gave him a
held javeline. He asked me to send him
12 more javelines, whose arrangements
I have not made.

Besides others things I discussed with him
the canceling of the R - U.S. meet and
also the discovery of the men in the
women's team.

Sincerely yours

Alēksandrs, un šīdi cīņai tas nav
par citu priekš Alēksandru, ja nomā
īpaši Alēksandru ideju. Laulība jau noraidīta.
17 kārtām pāris nedēļām. Es varētu priekš
mensiņiem izveidot frencu semināru ar mūsu
tehnikas un metodikas demonstrācijām. 1924. gada
laikā kļuva decembris un janvāris, kad puišs
ir ļoti vājš un slāvis. Var jau būt, ka ar
kaut kādu citu laiku. Ja nē, ar jaunajiem,
taču lai uzreiz man vairs pām. Es domāju
mani laidi. Es jau centījos semināru izveidot
īpaši 20 dienām. Nu tagad par to pūlīti
īpaši man uz mājām kāda ir situācija. Atņēma
ir pareizi, tā pati kas bija: Moche E 264
B-Первомайская 25-70

Starps es tagad jau no marta mēneša
ņemos ar grāmatas sastādīšanu par vēsturi, tehniku
un frencu metodiku citu mēneša. Domāju pēc
mēneša nodot. Pēc tam rakstīšu par locekļiem
guvīšiem. Atņēma īpaši kākojā gadā.

Pārīdīk gatavojamies uz Eiropas konferences izņem
starps vīdīdī komandām, kuras šīkā šīkā. Tās ir
PSRS, Francija, Vācijas federatīvā rep., Vācijas demokra-
tiskā republika, Polija un Lielbritānija. Baiclos, ka
konferences būs ir ļoti izplatīta un maz fa-
nijas pēc šīkā mēneša ar jēkām un konse-
pus šīkā uzvaras Norvēģijā.

Tad vēl viena lieta. Vai Alēksandru šīkā īpaši
kāda spūta arī, vai jūnāls. Es varētu kaut ko
uzrakstīt. Ja ir tad atbraukt kas vīdīdī interese.

Vīdīdī lābā Edgar! Sveiciens no Alēksandru.
